

1
SCRIPT
Helping yourself - it's great

*Sound will play down after the "helping yourself"
*Fast animation typing effect

2
SCRIPT
It's fast, accurate and convenient

*Animation: Cutty got the cat after the "it's fast" script part

3
SCRIPT
It's your first time? Don't worry,

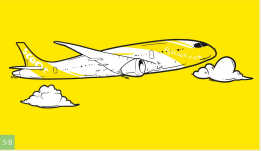

*Pan up at the character's face, after the previous scene

4
SCRIPT
It's easy, all you need is a little imagination.

5A
SCRIPT
Just imagine - You're about to get on a flight

5B
SCRIPT
and you can't wait to take off.

6A
SCRIPT
But first, you've got to check-in, and that usually means queuing.

*animation pop the cloud on the previous scene

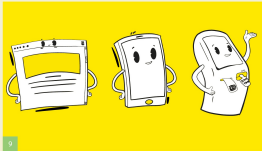

7
SCRIPT
Ain't nobody got time for that.

*rise the character's hand, then proceed to the next scene.

8
SCRIPT
Here are 3 ways to help yourself and beat the queues.

*zoom at the rising hand of the character at previous scene.

9
SCRIPT
Web Check-in, Mobile Check-in, and Kiosk Check-in

10A
SCRIPT
Check-in from the privacy of your home at

10B
SCRIPT

10C
SCRIPT
www.flyscot.com, available from 72hrs to 1hr before flight departure.

*Change the character location, shown at the next scene

11A
SCRIPT
If you enjoy the thrill of doing it on-the-go

11B
SCRIPT

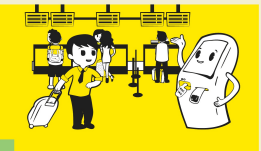

*Zoom into the mobile app
*Zoom out for the transition to the next scene

11C
SCRIPT
check-in on our mobile app, when and where you like.

12
SCRIPT
If you're someone who simply can't find the time, try the easy-to-use check-in kiosks at Changi Airport.
