Hi! Did you know that you could be getting cash back from your insurer for good driving?

Vouch is bringing you the **FIRST** car insurance in Singapore that gives you up to 15% cash back on your premiums paid.

That's right, more savings if you don't make a claim.

Isn't that just the no-claim discount?

No. This is cash back on top of your No-Claim Discount!

We don't think it's fair that safe drivers pay extra to cover claims by bad drivers.

That's why Vouch partners with forward looking insurers such as NTUC Income, Sampo and Tokio Marine to make insurance fairer.

Here's how we are doing it.

We group safe drivers together
Based on their driving and claims history.
So that drivers like you can save more on your car insurance

You can even form your own group with friends and family.
And the best part of it all?

The money saved from steering clear of bad drivers
Goes directly back into your pocket.
